

New Member Recruitment Program

Winter is over, and it is most likely spring wherever you live. This winter has been tough. In addition to the economic situation, most of us have had the weather situation. Too little rain; way, way, too much rain, or too much snow; flooding; storms; winds; some days the frigid cold, as reported from Frostbite Falls, Minnesota. However it comes, spring does come, and summer follows quickly on its heels. Students head home, nurses plan vacations, and your nursing association is probably far from your thoughts.

You, however, are always in our thoughts. Here at the Academy office we work year round to provide the most benefits to you for your membership dollar. From May to September 2009 we hope you will join in our 2nd member recruitment program of the year. Recruit your colleagues by reminding them of the great benefits (please see below) of belonging to ANN. **And we will reward you!**

- Recruit one (1) member and receive a \$10 certificate good toward any ANN product, book, renewal, or conference.
- Recruit two (2) members and receive the book, *Pocket Guide to Neonatal EKG Interpretation*.
- Recruit three to nine (3-9) members and receive the book, *Pocket Guide to Neonatal EKG Interpretation* and free processing for the CE course contained in the book.
- Recruit ten (10) or more members receive *Pocket Guide to Neonatal EKG Interpretation*, the free CE course, plus an entry for a drawing to win free tuition to the 2009 National Neonatal Nurses Conference in Phoenix, Arizona.

Many neonatal nurses do not belong to a professional organization, read a professional journal, or take part in conferences and networking. Improve the care to all of the neonates in your unit by recruiting your colleagues today!
